**RESPONSE TO OFFICE ACTION**

Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir/Madam:

This is a response to the Final Office Action mailed March 22, 2005 in relation to the above-identified patent application. In that Office Action, all of the pending claims 1-12 of the application were rejected solely under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-4 of United States Patent No. 6,796,951.

Pursuant thereto, Applicant is submitting a Terminal Disclaimer in relation to the subject application over United States Letters Patent No. 6,796,951.

It is respectfully submitted that the filing of the Terminal Disclaimer eliminates the double-patenting rejection of the Examiner and hence the application is in a condition for allowance. A reconsideration and allowance is therefore respectfully requested.
